No. 977.

Extract from the Proceedings of the Government of India in the Home Department (Establishments),—under date Fort William, the 18th December 1874.

Read—

Public despatch to Secretary of State, No. 73, dated 23rd October 1873.

Judicial despatch from Secretary of State, No. 28, dated 11th June 1874, replying to above.

Resolution dated 12th May 1874, No. 305.

From Chief Commissioner of Assam, No. 69, dated 14th April.

To Chief Commissioner of Assam, No. 413, dated 20th June.

From Chief Commissioner of Assam, No. 299, dated 16th July.

**RESOLUTION.**—The Home Department Resolution No. 305, dated 12th May last, announced the arrangements by which the list of the Assam Commission, as it then stood, was provisionally formed, and a staff of officers sufficient for his immediate requirements was placed at the disposal of the Chief Commissioner.

The Assam Commission thus provisionally arranged included the following officers :—

1 Chief Commissioner.

1 Judicial Commissioner (or Judge) of Upper Assam.

10 Deputy Commissioners for the 10 Districts, with a place upon the 3rd grade for the Chief Commissioner's Secretary.

12 Assistant Commissioners.

2. The sanction of the Secretary of State to the transfer of the District of Sylhet to the Chief Commissionership of Assam has now been received, and the territorial limits of the new Province have thus been finally adjusted. It remains, therefore, to determine what permanent form of administration shall be adopted for the whole Chief Commissionership, and what additions are necessary to the strength of the Commission in order to complete its working constitution and to provide for Sylhet.

3. As to the form of administration, the Governor General in Council has decided to continue for the present the existing arrangement by which the High Court at Calcutta superintends the administration of justice, and is itself the Supreme Court of Appeal. Therefore, so far as the judicial work of the Province is concerned, there is no

necessity for the appointment of a Judicial Commissioner. Moreover, Assam is a province with little revenue, a scanty population, and light general work. Education is backward. The advantages of registration are scarcely recognized. The jails are of a petty character; and of the police the most important portion would, owing to the peculiar relations of Assam with the Frontier Tribes, necessarily remain under the direct control of the Chief Commissioner. The Chief Commissioner has signified his desire to undertake, for the present, the duties of departmental inspection, and the Governor General in Council agrees that they may be with advantage intrusted to him. It has, therefore, been resolved to place the entire administration under the direct control of the Chief Commissioner, and to leave the Deputy Commissioners immediately subordinate to him without the intervention either of a Judicial Commissioner or of Commissioners of Divisions. In order that the Chief Commissioner may, as far as possible, be relieved of minor details which might unduly hamper the performance of his duties, his Secretariat staff will be strengthened by the addition of an Assistant Secretary on Rs. 700 a month.

4. It has been determined that in the permanent organization of the Commission, the appointments of Secretary and Assistant Secretary shall stand separate from the graded list, as in other similar Commissions, and shall not be graded in the ranks of the Deputy Commissioners or of the Assistant Commissioners. The provisional list published by the Resolution of 12th May has, therefore, in this respect been altered.

5. To provide for the executive administration of Sylhet the following appointments have been added to the Commission :—

	Salary.
	Rs. A. P.
1 Deputy Commissioner, 1st grade ...	1,833 5 4
1 Assistant Commissioner, 1st grade	800 0 0

The reductions in the Bengal Establishment will be—

	Rs.
1 Magistrate-Collector, 2nd grade ...	1,800
1 Joint Magistrate, 2nd grade	700

The Judge of Sylhet and Cachar will be selected by the Governor General in Council from among the covenanted civilians in Bengal, who have adopted the judicial line of service under the provisions of Home Department letter No. 1452, dated 8th April 1873. The office is now held by a Judge of the first class, whose services the Chief Commissioner desires to retain; and, therefore, the salary will for the present be Rs. 2,500, a corresponding deduction of one appointment being made from the 1st grade Judgeships in Bengal. But whenever the present incumbent vacates, the salary of the office will be reduced to Rs. 2,000.

6. The Chief Commissioner has strongly represented the necessity of some addition to the staff of officers employed in Cachar. In order, therefore, to provide for the employment there of an officer who will replace the Joint-Magistrate who would ordinarily be allotted to a Regulation District, and who will take a share in the civil judicial business, the Governor General in Council has been pleased to make a further addition of one appointment to the number of Assistant Commissioners of the 2nd grade.

7. Finally, to enable the Chief Commissioner to fill up temporary vacancies from his own reserve, the Governor General in Council directs that the establishment of Assistant Commissioners of the

3rd grade shall be increased from three to seven. The sanctioned complement of the Assam Commission will then include 33 officers exclusive of the Chief Commissioner. The whole Administration is shown in detail as follows:—

Chief Commissioner of Assam.	
Secretary to the Chief Commissioner.	
Assistant Secretary to Chief Commissioner.	
Judge of Upper Assam.	
Judge of Sylhet.	
Deputy Commissioners, 1st Grade	... 4*
"    "    2nd "    "	... 2†
"    "    3rd "    "	... 3
"    "    4th "    "	... 2
Assistant Commissioners, 1st Grade	... 5
"    "    2nd "    "	... 6
"    "    3rd "    "	... 7

8. The appointments in Sylhet will be held by covenanted civilians. The covenanted civilians who are transferred from any other Province to Assam will be seconded, and their names retained in italics upon the lists of the Presidency or Province to which they were originally appointed from England.

ORDER.—Ordered that a copy of this Resolution be forwarded to the Government of Bengal and to the Chief Commissioner of Assam for information and guidance, and to the Financial Department for information and further orders.

This certificate may be obtained at Somerset House, or from the Superintendent Registrar of the District in which the birth took place.

II.—A candidate who is a Native of India must have his age certified by the Government of India, or of the Presidency or Province in which he may have resided.

III.—Every other candidate *not producing the certificate* mentioned in Clause 1, must prove his age by Statutory Declaration, and should also, if possible, produce a record of Birth or Baptism from some official Register; under which term may be included the Parochial Registers of Baptisms, the non-Parochial Registers of Baptisms and Births deposited at Somerset House under Acts of Parliament, the Register kept at the India Office of persons born in India, &c., &c. This Regulation applies—

1. To all candidates not born in England or Wales.

2. To candidates who, though born in England or Wales, cannot produce the Registrar-General's certificate.

The Civil Service Commissioners reserve to themselves the right of deciding in each case upon the sufficiency of the evidence produced, but they subjoin the following general rules for the guidance of candidates:—

(a.) The Declaration should specify precisely the date and place of birth, and should, if possible, be made by the father or mother of the candidate. If made by any other person, it should state the circumstances which enable the Declarant to speak to the fact. If an entry in a Bible or other family record be referred to, the Bible or other record must be produced at the time of making the Declaration, and must be mentioned in the Declaration as having been so produced.

(b.) If the candidate was born in England or Wales, the Declaration must contain a statement, that after due inquiry no entry has been found in the books of the Registrar-General; or a separate Declaration must be made to that effect.

(c.) If no extract from any Register is produced, the Declaration must contain a statement, that after due inquiry no such record is believed to exist; or a separate Declaration must be made to that effect.

(d.) Statutory Declarations must be exactly in the form prescribed by the Act of 5 and 6 William IV., c. 62. A printed form, if required, will be supplied on application to the Civil Service Commissioners.

N. B.—Clergymen, as such, are not qualified to take Declarations.

#### ECCLESIASTICAL.

The 17th December 1874.

No. 399.—The services of the Reverend W. H. Bray, a Junior Chaplain on the Bengal Establishment, are placed at the disposal of the Government of Bengal.

The following orders, issued by the Government of India in the Financial Department, are republished for general information:—

No. 7310.—*Fort William, the 18th December 1874.—Leave and Allowances.*—The Governor General in Council directs that the words “Bombay Presidency and the” be inserted immediately before the words “Central Provinces” in the *Exception* to Section 1 (b) of Supplement F to the Civil Leave Code.

No. 7280.—*Pensions and Gratuities.*—The Civil Annuity Funds of Madras and Bombay having been abolished, the Governor General in Council directs that the following be substituted for Rule 9 under Section 35 of the Civil Pension Code:—

9. The deduction made under this section from the salary of a covenanted civil servant includes the deduction on account of annuity. The portion which is to be considered as deduction on account of annuity is equal to one-twenty-fourth part of the salary remaining to the officer after the whole deduction.

Where, however, the salary to be drawn is already fixed on other considerations (as, e.g., where the officer is to receive a salary equal to what he drew prior to the transfer), the contribution under this section should be calculated upon the salary which remains to him after the usual deduction on account of annuity.

*Example.*—The pay of A. B. is Rs. 1,000. The deduction on account of his annuity is Rs. 40, and the contribution which he must pay, if transferred to serve under the native state, is  $\frac{1000-40}{4} = 240$ . The whole charge on the native state is Rs. 1,000, plus Rs. 240, or Rs. 1,240. Out of this A. B. will pay Rs. 240 to Government; A. B. will separately pay Rs. 40 on account of annuity.

The Governor General in Council also directs that the note within brackets which precedes Section 1 of Supplement A to the Civil Pension Code be omitted.

No. 7317.—*Separate Revenue.—Stamps.*—In exercise of the power conferred by Section 35 of the Court Fees' Act VII of 1870, the Governor General in Council is pleased to remit the fees leviable on the under-mentioned documents:—

Copy of the judgment or order given by a Criminal Court under Section 464, Code of Criminal Procedure, to the accused person or persons affected by such judgment or order, provided that such person is in Jail, or that the Court for some special reason sees fit to give such copy free of cost.

The following are the conditions of sale:—

1. The Opium will be sold for exportation by sea only, and no certificate will be granted except to cover such export.

2. The Opium will be ordinarily offered for sale at an upset price of Rs. 800 per chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12 of these Conditions of Sale. The bids must advance by Rs. 5 at a time.

3. The sale shall commence at the hour of 11 A.M. of the day fixed by previous notification, and shall not be continued after the hour of 5 P.M.; but if at that hour any of the lots advertized for sale shall remain unsold, the sale may, at the discretion of the Member in charge, be resumed on the next day following (not being Sunday or a public holiday), at the hour of 11 A.M., and so on until the whole of the remaining lots are disposed of; or, if the whole quantity advertized shall not be sold on the day appointed, the Member in charge may dispose of the lots which remain on hand at a future sale.

4. Each lot shall contain five chests.

5. A Promissory Note for a sum, calculated according to the scale noted in the margin, shall be taken as a deposit on each lot from the purchaser in the sale-room, and before the lot is registered in the sale book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Bank of Bengal receipts, or by substitution of other public securities of the Government of India, on or before 4 o'clock in the afternoon of the fifth day after the sale: or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Bank of Bengal receipts, or deposit of other public securities as aforesaid shall have been delivered in, shall be resold at such time or times and under such conditions of re-sale as the Member in charge shall see fit; and all losses and expenses whatsoever attending such re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6. The Promissory Notes taken on the day of sale under the last-mentioned condition, if remaining unredeemed at 4 o'clock of the fifth day following the day of sale, will be placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

DEPOSIT.  
When the amount bid is less than Rs. 1,200 per chest, Rs. 900 per chest.  
On bids of Rs. 1,200 and upwards, but less than Rs. 1,600 per chest, Rs. 300 per chest.  
On bids of Rs. 1,600 and upwards, but less than Rs. 2,000 per chest, Rs. 400 per chest.  
And so on, Rs. 100 being added to the deposit for every bid additional, to the extent of Rs. 400.

7. No tender of money, Bank of Bengal receipts, or public securities, on account of Opium upon which the prescribed deposit may not have been made before 4 o'clock of the fifth day following the day of sale, will be afterwards accepted.

8. The Opium advertised for sale shall be paid for not later than by 4 o'clock of the fifteenth day from the day of sale, and in case any lots of such Opium shall not be so paid for and adjusted, then the cash deposit made under the fifth Condition or any public securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium shall be disposed of on account of Government at such time and in such manner as the Member in charge shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9. Purchasers taking out certificates or orders for the delivery of Opium after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each certificate or order; and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

10. No deposit of public securities under the fifth of the present Conditions will be received in this Office except from the party recorded as the purchaser in the sale book or his authorized Agent. The receipt for deposit of public securities will be granted only in the name of such purchaser, and the securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11. The officer superintending the sale on the part of the Government is empowered to reject, at his discretion, the bid of any individual, unless such individual shall, on demand, tender at the time a deposit either in Government of India Notes, Bank of Bengal Receipts, or Government Securities, a sum equal to the amount for which a Promissory Note would otherwise be taken under the fifth of these Conditions.

12. With a view to prevent fictitious biddings designed to obstruct the sale, it is hereby notified that the officer of Government superintending the sale shall be competent, at any time during the sale, to withdraw any unsold lot, and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bond fide* bidder for a lot after it has been offered for sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the officer of Government superintending the sale shall also be competent to dispose, in the same manner, of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of Rs. 800 specified in the second of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession, at the same price and under the same conditions, any number of lots of the same agency Opium not exceeding altogether twenty-five lots, provided always that there remain a sufficient number of lots of the Opium to complete the said twenty-five.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the Opium included in this notification, or adjustment of the account thereof, the same shall and may be tried and decided in the High Court of Judicature at Fort William in Bengal.

15. The following papers will be exhibited for inspection on the day of sale, or may be seen previously to that date by personal application at the Office of the Board of Revenue:—No. 1, certificate of the Opium advertised for sale; No. 2, report of the examination of such Opium.

16. The public are hereby informed that, in providing the investment of the Behar and Benares Opium for the year 1873-74, the same precautions have been taken as those which have been observed during past years—to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the chests, indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on personal application at the Office of the Board of Revenue.

17. Any further information respecting weight or quality of the Opium advertised for sale that may be desired by parties connected with the trade will, as heretofore, be furnished to them on personal application at the Office of the Board of Revenue. But, in accordance with established usage, under no circumstances will the Member in charge entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred on reference to chests after the sale and delivery of the Opium for shipment.

18. It is hereby further notified that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of

the French Government, or persons duly appointed by them, are entitled to demand that out of the quantities of Behar and Benares Opium declared as above for sale at the twelve sales of the year 1875, there shall be delivered to them, at the average of the particular sale or sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 chests, and the Agents of the French Government must make requisition specifying the quantity of Opium required by them at any particular sale, within thirty days from the advertisement of such intended sale, provided however that the Agents of the French Government may make such requisition for the whole quantity within thirty days from the publication of this notification. If the Agent of the French Government shall not make the requisition for Opium within the time above mentioned, the entire quantity of about 45,000 chests of

Behar	...	...	...	Chests.	25,800

Total					45,000

Behar and Benares, as above estimated, will be brought to sale in the usual manner; and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for sale at each or any of the twelve sales above mentioned, but shall not pay for it within the prescribed period of payment, the Government of Bengal reserves to itself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the sale next ensuing the date of payment, or by selling it at a sale to be held expressly for the purpose.

*Article of the Convention above referred to.*

*Article VI.*—"With regard to the trade in Opium, it is agreed between the high contracting parties that at each of the periodical sales of that article, there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by them, the number of chests so supplied for, provided that such supply shall not exceed three hundred chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical sale, it being understood that if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred chests hereinbefore mentioned. The requisitions for Opium, as aforesaid, are to be addressed to the Governor-General at Calcutta within thirty days after notice of the intended sales shall have been published in the *Government Gazette*."—By order of the Member in charge.

7TH JANUARY 1875.

No. 3721, dated Calcutta, the 11th December 1874.

From—H. L. DAMPIER, Esq., Secy. to the Govt. of Bengal,  
To—The Director of Public Instruction.

I AM directed to inform you that a gymnastic tournament will be held in the grounds at Belvedere on Thursday, the 7th January 1875, by permission of His Honor the Lieutenant-Governor, who has also offered certain prizes to be competed for on the occasion.

2. The competition will be limited to the students of Government institutions, and not more than four will be allowed to compete from each college or school.

3. The expenses of the students selected from each institution, and their expenses in Calcutta to and fro, as well as those of their gymnastic teacher (who will accompany them), will be paid by Government.

4. No student will be allowed to compete unless he has obtained permission to do so from the Principal of his College or Head Master of his School. Principals and Head Masters are required to be careful not to give permission to any student who is not moderately proficient in gymnastics, and whose performances are not likely to be up to the average of representatives of other schools.

5. The programme which it is proposed to carry out is enclosed for your information, and you are requested to report at once—

(a.) The number of boys (not exceeding four) who will compete from each College or School, with their names and ages.

(b.) The part or parts of the programme in which each wishes to compete. As it is probable that time will not admit of all the candidates competing for every prize, each student should be called upon to name the prizes for which he wishes to compete, in the order of his preference.

(c.) The estimated cost of the journey of the boys and their professor to Calcutta and back, and of their board and lodging while in Calcutta.

6. You will be good enough to arrange that the teachers and pupils shall be on the ground set apart for the occasion at 10-30 A.M. Correspondence on this subject should be addressed to the Honorary Secretary to the Gymnastic Tournament.

The following are the conditions of sale:—

1. The Opium will be sold for exportation by sea only, and no certificate will be granted except to cover such export.

2. The Opium will be ordinarily offered for sale at an upset price of Rs. 800 per chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12 of these Conditions of Sale. The bids must advance by Rs. 5 at a time.

3. The sale shall commence at the hour of 11 A.M. of the day fixed by previous notification, and shall not be continued after the hour of 5 P.M.; but if at that hour any of the lots advertized for sale shall remain unsold, the sale may, at the discretion of the Member in charge, be resumed on the next day following (not being Sunday or a public holiday), at the hour of 11 A.M., and so on until the whole of the remaining lots are disposed of; or, if the whole quantity advertized shall not be sold on the day appointed, the Member in charge may dispose of the lots which remain on hand at a future sale.

4. Each lot shall contain five chests.

5. A Promissory Note for a sum, calculated according to the scale noted in the margin,

DEPOSIT.  
When the amount bid is less than Rs. 1,200 per chest, Rs. 900 per chest.  
On bids of Rs. 1,200 and upwards, but less than Rs. 1,600 per chest, Rs. 300 per chest.  
On bids of Rs. 1,600 and upwards, but less than Rs. 2,000 per chest, Rs. 400 per chest.  
And so on, Rs. 100 being added to the deposit for every bid additional, to the extent of Rs. 400.

shall be taken as a deposit on each lot from the purchaser in the sale-room, and before the lot is registered in the sale book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Bank of Bengal receipts, or by substitution of other public securities of the Government of India, on or before 4 o'clock in the afternoon of the fifth day after the sale; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Bank of Bengal receipts, or deposit of other public securities as aforesaid shall have been delivered in, shall be resold at such time or times and under such conditions of re-sale as the Member in charge shall see fit; and all losses and expenses whatsoever attending such re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6. The Promissory Notes taken on the day of sale under the last-mentioned condition, if remaining unredeemed at 4 o'clock of the fifth day following the day of sale, will be placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

7. No tender of money, Bank of Bengal receipts, or public securities, on account of Opium upon which the prescribed deposit may not have been made before 4 o'clock of the fifth day following the day of sale, will be afterwards accepted.

8. The Opium advertised for sale shall be paid for not later than by 4 o'clock of the fifteenth day from the day of sale, and in case any lots of such Opium shall not be so paid for and adjusted, then the cash deposit made under the fifth Condition or any public securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium shall be disposed of on account of Government at such time and in such manner as the Member in charge shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9. Purchasers taking out certificates or orders for the delivery of Opium after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each certificate or order; and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

10. No deposit of public securities under the fifth of the present Conditions will be received in this Office except from the party recorded as the purchaser in the sale book or his authorized Agent. The receipt for deposit of public securities will be granted only in the name of such purchaser, and the securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11. The officer superintending the sale on the part of the Government is empowered to reject, at his discretion, the bid of any individual, unless such individual shall, on demand, tender at the time a deposit either in Government of India Notes, Bank of Bengal Receipts, or Government Securities, a sum equal to the amount for which a Promissory Note would otherwise be taken under the fifth of these Conditions.

12. With a view to prevent fictitious biddings designed to obstruct the sale, it is hereby notified that the officer of Government superintending the sale shall be competent, at any time during the sale, to withdraw any unsold lot, and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bonâ fide* bidder for a lot after it has been offered for sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the officer of Government superintending the sale shall also be competent to dispose, in the same manner, of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of Rs. 800 specified in the second of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession, at the same price and under the same conditions, any number of lots of the same agency Opium not exceeding altogether twenty-five lots, provided always that there remain a sufficient number of lots of the Opium to complete the said twenty-five.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the Opium included in this notification, or adjustment of the account thereof, the same shall and may be tried and decided in the High Court of Judicature at Fort William in Bengal.

15. The following papers will be exhibited for inspection on the day of sale, or may be seen previously to that date by personal application at the Office of the Board of Revenue:—No. 1, certificate of the Opium advertised for sale; No. 2, report of the examination of such Opium.

16. The public are hereby informed that, in providing the investment of the Behar and Benares Opium for the year 1873-74, the same precautions have been taken as those which have been observed during past years—to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the chests, indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on personal application at the Office of the Board of Revenue.

17. Any further information respecting weight or quality of the Opium advertised for sale that may be desired by parties connected with the trade will, as heretofore, be furnished to them on personal application at the Office of the Board of Revenue. But, in accordance

with established usage, under no circumstances will the Member in charge entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred on reference to chests after the sale and delivery of the Opium for shipment.

18. It is hereby further notified that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand that out of the quantities of Behar and Benares Opium declared as above for sale at the twelve sales of the year 1875, there shall be delivered to them, at the average of the particular sale or sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 chests, and the Agents of the French Government must make requisition specifying the quantity of Opium required by them at any particular sale, within thirty days from the advertisement of such intended sale, provided however that the Agents of the French Government may make such requisition for the whole quantity within thirty days from the publication of this notification. If the Agent of the French Government shall not make the requisition for Opium within the time above mentioned, the entire quantity of about 45,000 chests of

		Chests.
Behar	...	25,800
Benares	...	19,200
Total		45,000

Behar and Benares, as above estimated, will be brought to sale in the usual manner; and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for sale at each or any of the twelve sales above mentioned, but shall not pay for it within the prescribed period of payment, the Government of Bengal reserves to itself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the sale next ensuing the date of payment, or by selling it at a sale to be held expressly for the purpose.

*Article of the Convention above referred to.*

*Article VI.*—"With regard to the trade in Opium, it is agreed between the high contracting parties that at each of the periodical sales of that article, there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by them, the number of chests so supplied for, provided that such supply shall not exceed three hundred chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical sale, it being understood that if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred chests hereinbefore mentioned. The requisitions for Opium, as aforesaid, are to be addressed to the Governor-General at Calcutta within thirty days after notice of the intended sales shall have been published in the *Government Gazette*."—By order of the Member in charge.
